

Mission Statement

Ukrainian Americans across the country realize the importance of re-electing President Donald J. Trump. President Trump defends the ideals that make our country great. Four more years of President Trump means four more years of historic job creation, conservative values, and greater opportunities for future generations.

KEY ISSUES:

Strengthening Allies & Holding NATO Accountable

President Trump has reinforced strong sanctions against Russia to confront its abusive and destabilizing actions.

- The Trump Administration sanctioned over 200 targets in response to Russia's ongoing occupation of Crimea and aggression in Eastern Ukraine, as well as other misdeeds.
- The President strengthened alliances and continues to stand up to Russia's corrupt influence around the world.
- President Trump and the Administration released a National Security Strategy defining steps to stop any interference from Russia.

President Trump has invested in strengthening America's allies to defend themselves.

- The Trump Administration has enhanced its support for Ukraine's Armed Forces to help Ukraine improve its ability to defend itself.
 - Increased sales of weapons to Ukraine's military includes over 360 Javelin missiles and nearly 50 launchers.
 - The Obama Administration refused to provide lethal weapons to allow Ukraine to protect itself from Russia.
- The Trump Administration has increased funding for the European Deterrence Initiative, providing billions to increase United States troop readiness in Europe, deter Russian aggression, and help defend our NATO allies.

President Trump and the Administration are holding the U.N. Accountable

- At the UN, President Trump is actively condemning Russia's support for the Assad regime and continued failure to live up to its commitment to end the conflict in eastern Ukraine.
- Challenging Iran's launch of ballistic missiles.

Coronavirus Response

President Trump and the White House Coronavirus Task Force are leading an unprecedented, comprehensive, and aggressive whole of America approach to slow the spread of the virus.

- The Administration's response began early. In January 31, President Trump declared the coronavirus a public health emergency and suspended entry into the U. S to help stop the spread.
- President Trump, the CDC, and the White House Coronavirus Task Force, headed by Vice President Pence, released guidelines for all Americans to follow.
- On March 13, President Trump declared a national emergency which granted access to \$42 billion to fight the coronavirus.

- The White House announced President Trump donated his fourth quarter salary to fight the coronavirus.
- On March 27, President Trump signed the bipartisan \$2 trillion Coronavirus Aid, Relief, and Economic Security (CARES) Act into law. The CARES Act provided much needed relief to our small businesses and workers and helped stabilize the economy
- The United States is the world leader in testing. Nearly 80 million tests have been completed, far more than any other country.
- The President cut red tape and launched “Operation Warp Speed” to develop a vaccine as quickly as possible.
- President Trump is putting America First and holding the World Health Organization (WHO) accountable for the mismanagement of the coronavirus. In July, President Trump announced the U.S. would withdraw from the WHO.
- The Trump Administration provided Ukraine \$9.1 million in health and humanitarian aid for Covid-19.

Economy

Under President Trump we achieved record economic success and will do so again.

- Our Great American Comeback is under way and President Trump is the man to lead it.
 - In the last five months, the U.S. added 11.4 million jobs
- The stock market has reached record highs under President Trump.
 - This year, the NASDAQ hit a record high, topping 10,000 for the first time ever.
- Since President Trump took office 6.6 million Americans have been lifted out of poverty.
 - Under President Trump, 5.6 million people have come off food stamps.
 - Nearly 2.8 million American children have been lifted out of poverty.
- Under President Trump’s leadership, Congress passed historic tax cuts and relief for hard-working Americans. The Tax Cuts and Jobs Act is the first major tax reform signed in 30 years and the largest tax reform package in history.

Trade

President Trump is delivering on his promise to correct trade imbalances.

- The Trump Administration had taken unprecedented steps to modernize and improve trading practices and negotiate freer, fairer, and reciprocal trade agreements with our global allies.
- President Trump has kept his promise to deliver a modern and rebalanced trade deal to replace NAFTA. The United States – Mexico – Canada Agreement (USMCA)
- The President and European Union President Juncker agreed to a new trade deal that strengthens and reforms our trade relationship. The agreement:
 - Works toward zero tariffs, zero non-tariff barriers, zero subsidies on nonautomotive industrial goods.
 - Makes it easier for the EU to purchase liquefied gas.
 - Reduces trade and bureaucratic obstacles between the U.S. and the EU.
 - Addresses unfair trade practices.
- President Trump withdrew the United States from the flawed Trans-Pacific Partnership.
- President Trump has forced our allies to recommit to NATO.
